

Lake Zurich fish trip

Enjoy as a group an unforgettable afternoon or evening on the lake of Zurich.
Experience a beautiful summer day on the MS Wadin and spend relaxing and entertaining hours in a maritime atmosphere.

On boarding, you will be welcomed by the crew with a refreshing aperitif. As soon as all passengers are on board one says "leashes off" and an inspiring trip starts.

During the tour you will enjoy a delicious fish menu. We serve you a mixed seasonal salad as a starter, followed by a delicious main course with freshly caught Lake Zurich fish, boiled potatoes and/or rice and a seasonal vegetable side dish. The fish (lake trout, pike, perch, zander or whitefish) comes from the local fisherman and varies according to the season and catch - but can be chosen by the customer as far as possible. Oven vegetables, ratatouille or vegetable gratin are available as side dishes, one of which can be chosen in advance. As an alternative to fish, we offer a planted fish trout.

The dessert buffet concludes with a beautiful selection of various sweet delicacies.
